

CRESTLINE[®]

CCL 166 - Type I & III

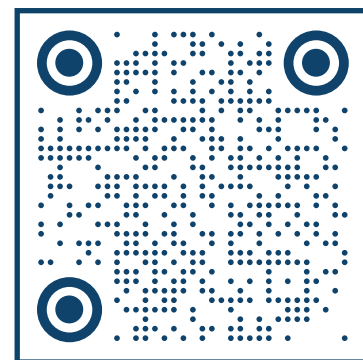

Leasing
options
available.

INTRODUCING

Crestline CCL 166

More Space. More Storage. More Possibilities.

Built for proven performance, reliable operation
and long-term value, including ambulance remount.

▲ FULL PRODUCT DETAILS ▲

Fleet solutions focused on what matters most.

CCL166.com

Designed for quicker delivery with shorter lead times & volume orders.

Enhanced Bulkhead Talk-Through:
Double sealing for rattle-free performance

Upgraded AC Performance:
Optimized cooling with recirculation & 8-speed control

Wider Squad Bench:
Enhanced comfort with increased width

Key Features:

Expanded 166" Module

16" longer than CCL 150 for added workspace & equipment.

Expanded ALS Storage

More storage with a wider C1 opening for easier access.

Repositioned Airway Station

More legroom and easier access to MMC controls.

Enhanced HVAC System

Improved airflow, fan control and fittings enhance comfort, reliability & serviceability.

Larger S2 Compartment

33% more storage than CCL 150 with easier equipment access.

Improved Cab Console

Driver-focused controls, faster charging & organized storage.

Flexible Storage Options

Optional full-height S3 storage and rear action-area drawer provide greater equipment organization.

Standard Features:

Aluminum Extruded Body Construction

Durable, lightweight structure built for EMS, long service life & future remounts.

CrestCoat: Powder Coating Technology

Tough, corrosion-resistant finish backed by Crestline's Limited Lifetime Paint Warranty.*

Aluminum Cabinets

Lightweight, powder-coated cabinets with SAE-compliant hardware and safer rolled edges.

MMC Multiplex Electrical System

Remote diagnostics and simplified maintenance help reduce downtime and repair costs.

Flush Mount Windows

Automotive-style visibility with corrosion resistance and leak-prevention engineering.

4" Radius Corners

Improved aerodynamics & handling support greater fuel efficiency.

Remount Advantage

Reduce lifecycle costs with a factory-certified remount built for quality, compliance and confidence.
